**Subject:** HPAL Update for Board of Directors

Dear Hollywood PAL Board of Directors and Advisers,

I have some news to share with you...

1. Budget: I project a \$2932 deficit this year. But it is not too late! If 30 people donate \$100, we will be all set! Please send an email to your friends asking them to support PAL. Forward the E-newsletter, send them the link to the PAL facebook page or website, tell them about how our PAL officers are doing so much with so little, and how we are a model organization to other cities and police departments! It's everyone's last chance at a tax-deduction and I am sure they are in the giving spirit. Just ask!

2. Our first billboard is up! Banc of California featured PAL on one of their billboards. I am currently smiling down from Sunset Blvd and Lilac terrace (east of Echo Park), and in 2 weeks, Officer Miguel will be up at a different location, and 2 weeks later our kids will be up at another location! Very exciting.

3. Softball Equipment: The PAL Officers are thrilled to be doing a softball clinic in January for our soccer kids. The LAPD softball team is even coming out to help! Only problem.... our supplies are very limited because none of our kids own gloves. If you have a baseball glove that you could loan to us, we would be very grateful and careful to return it. Other ideas on how to get equipment would be much appreciated.

4. Executive Management Issue: Forgive me for the electronic announcement, but I will need to take a leave of absence in May... to have a baby! Therefore, it is necessary to do some planning to make sure that Hollywood PAL does not skip a beat while I am out. At the January Board Meeting, we will discuss our strategy in full detail.

HAPPY HOLIDAYS!

Best,  
Valerie

p.s. Belt test tonight at the Martial Arts Studio!
